

CODEC || EMPOWERING
BUSINESS

Good Morning

Data visualisation and dissemination for the communication of official statistics

Data publishing

Hubert Kobierzewski

Krakow, 26th June 2018

Data publishing strategy

- Define as-is situation
- Define to-be situation
- Create your strategy

Data publishing strategy

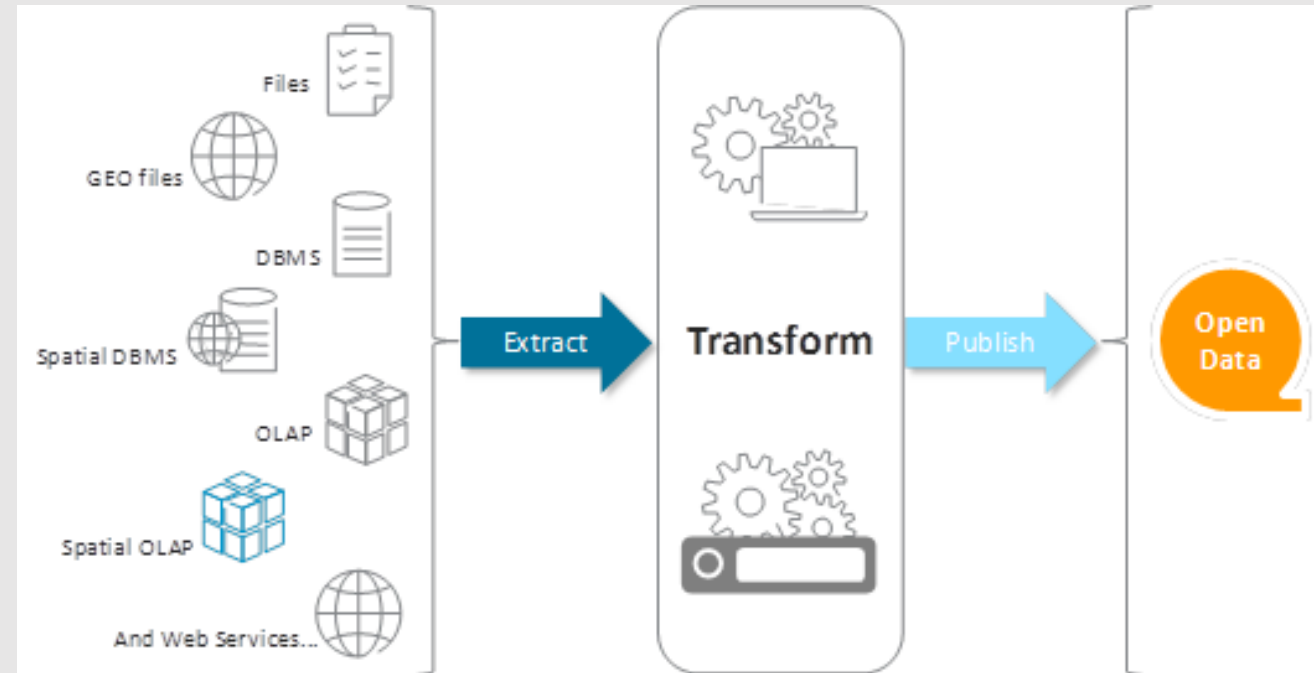

What and how to publish

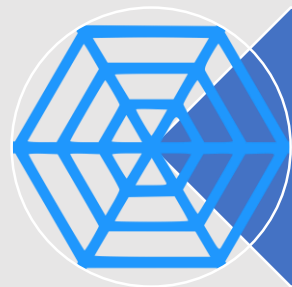

- Single charts
- Multi-page reports
- Dashboards
- Raw data
- Processed data
- Limited audience
- Open Data
- Journalism

Technical considerations

- Data governance
 - Per instance
 - Federated one with CoE
 - Fully centralised
- Extract, Transform and Publish

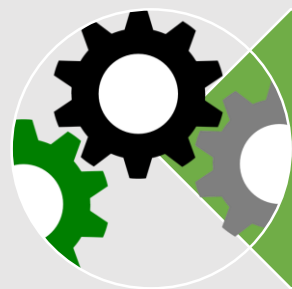

Publishing channels (Open Data)

Web

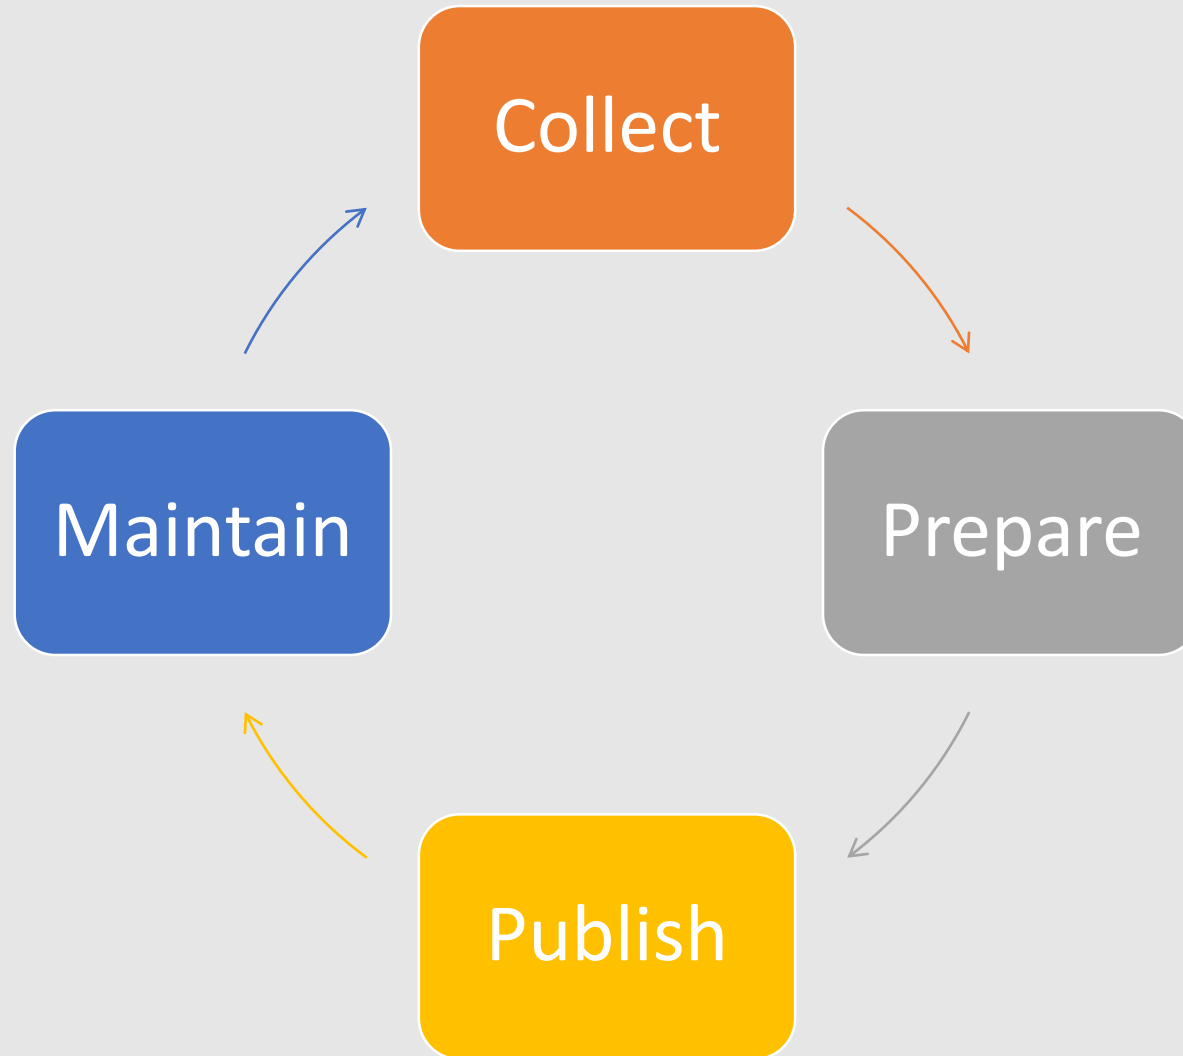

Data portal

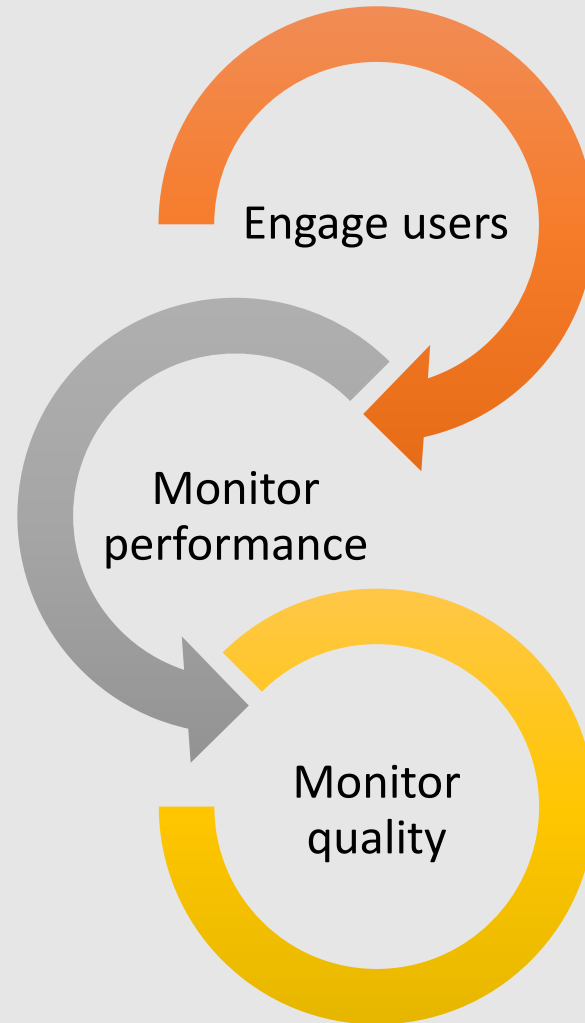

API

Published data lifecycle

Increase your success

Thank you
